WHY ADVERTISE WITH MFAF?

THE PRIME AUDIENCE

The patrons of Music from Angel Fire are culturally aware and educated, with a refined interest in the best products and services. A large portion of audience members live in metropolitan areas and have second homes in neighborhoods throughout northern New Mexico. MFAF's audience includes many local business and professional leaders and outdoors enthusiasts.

IN GOOD COMPANY

Music from Angel Fire advertisers build prestige by association with one of New Mexico's finest chamber music presenters, appearing alongside other quality businesses, services and arts organizations.

SUPPORTING THE ARTS

Exposure to exceptional performing arts greatly enhances the quality of life in Northern New Mexico for both young and old. Advertisers help support MFAF and the costs of presenting extraordinary concerts and educational programs performed by world-renowned artists and rising stars. Our patrons and artists recognize and appreciate your support!

MAKE AN IMPRESSION

Music from Angel Fire programs are read by an eager and captive audience. Concertgoers are in a relaxed, receptive state of mind, and have ample time before the performance, during intermission and afterward at their leisure in their homes to see your advertising message.
